

## ***"Quality Craftsmanship At An Affordable Price"***

At Gila Valley Monuments we take pride in creating high quality monuments from the finest materials available. We offer a wide variety of granite colors, and we welcome you to view them at our display.

In addition to personal monuments, we also create unusual pieces such as benches, pet markers and signs. We also have a variety of accessories such as granite flower vases, and porcelain portraits that may be applied to any monument.

Our craftsmen use sand carving techniques to create beautifully carved flowers, letters and other details in stone. We also offer etchings by hand or laser when photo reproductions (such as portraits or landscapes) are required. We also take our skills to the job site when necessary - inscribing death dates and providing monument setting, installation, maintenance and repair.

Other companies rely on us for our quality work including area funeral homes. We hope you will rely on us too. Please contact us if we can help you. We look forward to talking with you or visiting with you soon.
